CANCELS: B-20
DATE: 8/8/61

PRODUCING PLANTS

Long Beach, Antioch, Seattle, Rosario, & Jacksonville

The attached Technical Bulletin No. 5410 describes the basic Kaiserwall Partition Systems.

The gypsum boards, cores, and ribs which are used in the Kaiserwall systems are shown by Operating Bulletin number in parenthesis; for example -

Kaiser 1/2" x 4'
TE Gypsum Wallboard
(B-3)

Refer to this Technical Bulletin to check the type of board product required for a partition system.
